CAROLINA ABOLISHES THE TRAINING TABLE

Revised Schedule of Games for the Present Season.

[Special to The Times-Dispatch.]
CHAPEL HILL, N. C., September 22.—The student body of the University of North Carolina is inclined to agree with Coach Kibben, who says that the prospects for a strong team are good. At least four of last year's eleven will be in the line-up. Story, Thompson, Stewart and Kibben. There are forty or more athletes for the other positions, including some excellent material. The revised schedule of games is as follows:
September 29th—Davidson at Charlotte.
October 4th—University of Pennsylvania at Philadelphia.
October 13th—Richmond College at Chapel Hill.
October 20th—Lafayette at Norfolk.
October 27th—V. P. L. at Richmond.
November 2d—Georgetown at Norfolk.
November 10th—A. & M. College at Chapel Hill.
November 17th—Naval Academy at Annapolis.
November 24th—Open.
At a meeting of the advisory board of the Athletic Association it was decided to abandon the training table for the players.
In taking this step, the University follows in the lead of a number of the big Western universities.

Train Ran Through Water.

[Special to The Times-Dispatch.]
ASHEVILLE, N. C., September 22.—No train was run through on the Transylvania branch yesterday, but the road will be open today. Tremendous rains fell in the upper French Broad River Valley on Wednesday, and so flooded the river that yesterday it came over the tracks at Horsehoe and it was impossible for trains to pass. It is said that Wednesday the water was on the track to a depth of some inches, but the engineer on the last train to pass decided that he could go through it, and he did, but the water came so close to the tracks that the train was in danger of being extinguished. In which case the train would have come to a stop and the passengers would have been forced to do some waiting.

PROSPECTS FOR FOOTBALL AT V. P. L.

Twenty-Six Men Respond to the Call for Material for the Team.

MILES TAKES PLACE OF COACH

Eight Men of Last Year's Squad Will Be Available for the New Team.

[Special to The Times-Dispatch.]
BLACKSBURG, Va., September 22.—Despite the disappointment in not securing the services as coach of Stevenson, University of Pennsylvania, the failure of a number of last year's players to return, and the impossibility of getting new material, no matter how promising, may develop under training, the prospects for a winning football team at Virginia Polytechnic Institute are good. Coach Miles, who has been in charge of the practice a week later than usual, will on Wednesday of this week the men were called out for the first preliminary in the battle that will have the attention of the athletic world until the flag falls at Thanksgiving.

Twenty-six new men responded to the call, and among them are several who, judging from appearances, should, with proper training, all valiantly in maintaining for V. P. L. the position she won last year when West Point and her old foe, Virginia, lowered their banners in defeat before her.

The failure of Stevenson to take the position as coach left the officials at sea, but they have persuaded Mr. Clarence Miles, last season's coach, to accept the place again, and his acceptance means a great deal to the school. Mr. Miles is an alumnus of the Institute and holds an enviable record as a star player on the team during his college days. This is one of the best and hardest of the team of '05, the best that the college has ever sent out. He is a man with clear head and steady nerve, and enjoys the confidence and respect of all men.

Last year's men who will play this year as far as it is possible to say certainly are: Cunningham, Nutter, Treaswell, Offord, Lawson, Smith, Branch and Varner. M. A. D. Williams is graduate manager of the team. J. H. Powell, student manager, and Nutter, captain.

The first game of the season will be played with William and Mary in Roanoke, on October 6th, and the complete schedule follows: October 6th, William and Mary at Roanoke; October 13th, William and Mary at Blacksburg; October 20th, open; October 27th, University of North Carolina at Richmond; November 3d, Roanoke College at Blacksburg; November 10th, Bucknell University at Norfolk; November 17th, Davidson College at Annapolis; November 24th, Annapolis at Annapolis; November 31st, North Carolina A. and M. at Richmond.

VIRGINIA COLTS TRY THEIR METTLE IN FIELD

[Special to The Times-Dispatch.]
CHARLOTTEVILLE, Va., September 22.—Virginia will have their first scrimmage in football this morning. It would have been held last night but the intense heat prevented. Followed by a football game about a mile. However, with the heat and the fact that the players are new, the game was postponed. The only consolation was the practice game which was held in the afternoon. It was an extension of the training table in which the team tried several sets of backs and ends. He realized that a double set of backs is necessary, because under the new rules, both backs and ends can stand a full back. This is due to the greater amount of putting and end running that is expected. The personnel of the "Varsity" team, which will be the last to return to the gymnasium this afternoon, varied somewhat from that of the past two days. Stanforth and Hector were the stars. Maddox and Maddox were tackled; Stewart and Williams were tackled; center, Stiller, Brown, and Meyer; fullback, Caldwell, fullback.

Couch Cole, in a football uniform, followed the squad up and down the field, trying to get a good look at the players. Special attention was given to Spier, who was a substitute on last year's eleven, and now tips the scales at 225 pounds.

On the other end of the line, Coach Cole, on the other end of the line, weighs more than 20 pounds. Another man near the 20 mark is Williams, a North Carolina boy, who has never before played football. He is a man of much promise. In the opinion of Coach Cole, the team is in good shape. He is a man of much promise. In the opinion of Coach Cole, the team is in good shape.

The squad was augmented yesterday by ex-Captain Cooke of Norfolk, who has just returned from a trip abroad, and who will apply for his old position at Norfolk. All colleges are worried over the persistent refusal of two of last year's stars to return to the gridiron. These are Waples, the first-classed halfback of last year's team, and Charles Crawford, the best punter in college for two seasons past. Waples, who is captain of the track and field team, declines to return to the gridiron. Crawford, who is a first-class punter, has been asked to return to the gridiron, but he has declined. Charcoal Kills Bad Breath.

Bad Odor of Indigestion, Smoking, Drinking or Eating Can Be Instantly Stopped.

Sample Package Mailed Free.

Other people notice your bad breath when you speak. You know it all the time. It is nauseating to other people to stand before them, and while you are talking, give them a whiff of your bad breath. It is usually caused by food fermenting on your stomach. Sometimes you have it in the morning, that awful sour, bloated, bad breath. You can stop that at once by swallowing one or two Stuart's Charcoal Lozenges, the most powerful gas and odor absorbers ever prepared.

Sometimes your meals will reveal themselves in your breath to those who talk with you. "You've had a bad cold," "You've been eating cabbage," and all of a sudden you belch in the face of your friend, causing him a wonderful array of odors, as every one knows. That is why Stuart's Charcoal Lozenges are so quick to stop all gases and odors of indigestion, food, and bad breath. They never conceal the odor, and never absorb the gas, but they destroy the odor. Besides, the very fact of using them reveals the reason for their use. Stuart's Charcoal Lozenges in the first place, stop for good all sour breath and bad breath, and make your breath pure, fresh and sweet, just after you've eaten. Then no one will turn his head away from you when you breathe or talk; your breath will be pure and fresh, and, besides, your food will taste so much better to you at your next meal. Just try it.

Charcoal does other wonderful things. Too it carries away from your stomach and intestines all the impurities there massed together, and which cause the bad breath. Charcoal is a purifier as well as an absorber.

Charcoal is now by far the best, most easy and mild laxative known. A whole bowlful will do no harm; in fact, the more you take the better. Stuart's Charcoal Lozenges are made of pure vegetable charcoal and mixed with just a faint flavor of honey to make them palatable for all. Get a new, pure, sweet, breath, fresher skin, and a new, more comfortable, and keep the intestines in good working order. These two things are the secret of good health and long life. You can get all the charcoal necessary to do these wonderful things by getting Stuart's Charcoal Lozenges. We want you to test them. Write for a free sample of Stuart's Charcoal Lozenges. Then, after you have tried the sample and been convinced, go to your druggist and get a box of them. You'll feel better and eat more comfortably, and "cleaner" inside.

Send us your name and address to-day and we will send you a free sample of Stuart's Charcoal Lozenges. Address: P. O. Box 100, Stuart, Va. Stuart Co., 10 Stuart Bldg., Marshall, Mich.

AT GOVERNOR'S OFFICE.

Governor Will Go to Bristol in October.

Governor Swanson spent a quiet day in his office yesterday. The Governor has been invited to make an address at the league banquet on the evening of the 5th, and, if he goes, he will probably remain to the launching next day.
